

# JA FINANCE PARK HOMESCHOOL DAY

Friday, November 8, 2024

9:00 am - 2:30 pm

JA Finance Park builds a foundation of personal finance skills through an experiential, real-life simulation. Students complete a self-guided online curriculum and then participate in an immersive experience in the simulated mini town. Curriculum will be sent to participants (estimated 12 hours to complete) after registration.

Students receive a 'real life' persona during the simulation, with varying family and income scenarios, exploring budget categories, creating a budget, making purchasing decisions, and paying for their expenses, accommodating the needs of their family without overspending. As students navigate through the simulation, they are reminded of balancing their needs and wants as they learn about the impact of credit history on purchasing options.

**When:** November 8, 2024 | 9 am - 2:30 pm

**Who can participate:** Students in grades 7-9

**Cost:** \$25 per student

**Where:** JA Education Center

1610 Perimeter Road, Auburn, WA 98001

## DEI VISION STATEMENT

At Junior Achievement of Washington, we believe that education is foundational to building a more equitable and just world. We strive to cultivate an inclusive environment where diversity is celebrated, and each individual can share their unique abilities and perspectives to achieve our mission and provide world-class programming. We are committed to addressing inequities and finding innovative ways to serve diverse learners, especially those experiencing systemic racism and barriers to economic prosperity.
