

Junior Achievement of Washington (JAWA) empowers young people with the skills and confidence they need for future success. Through hands-on programs and strong community partnerships, we inspire students in financial literacy, career readiness, and entrepreneurship.

We're excited to host the 2026 **JA Driving for Impact** fundraiser to expand JA programs in Central Washington. Join us on **Thursday, June 4, 2026**, at **Woodies - Westwood Golf in Yakima** for an evening of golf, friendly competition, and a silent auction—all in support of local students.

We invite you to support this event by donating an item or service to our auction. Your contribution will directly help bring financial literacy education to more students while showcasing your business to community leaders and supporters.

Donors will receive:

- Company/logo recognition on auction signage
- Social media acknowledgment

If you're ready to contribute, please complete and return the attached donation form. Thank you for helping us empower the next generation of leaders in Central Washington!

Sincerely,

Joshua Callanan | Regional Director, CW
